To Whom It May Concern:

My name is Nadya Ninos, and I am honored to write this letter for Minning Song. Minning has been a Co-op student here at 5899 Leslie Street, North York, Shoppers Drug Mart # 918 since September 2024. Not only is he dependable, but he has an excellent work ethic, is punctual and academically driven.

Minning has a calm and helpful nature and from the very beginning and approached things with an interest in learning and continued developing his skills, while also making sure to help customers who require assistance with prescriptions and services.

Over these last few months, Minning has learned the ins and outs of working in a pharmacy such as the location of medications on the drug wall, prescription data entering, prescription filling, and cash register handling.

Minning has proven over and over that he is someone who is mature and reliable. He has demonstrated this by coming on time each day, performing his assigned duties quickly and efficiently and will often ask me for more work once his initial tasks are completed.

Please contact me by email asdm918@shoppersdrugmart.ca should you have any further questions.

I wish him all the best in his future endeavors!

Warm regards,

Nadya Ninos
